"We would absolutely recommend them to anyone. It was Nordstrom service from the get go."

– Kellye & Dr. Douglas Robinson, Los Gatos

"I called Valley on the hottest morning of the year this year because our home A/C (condenser) was not functioning. I was certain that no one could come out to fix my problem that day. I WAS WRONG! They went out of their way in terms of customer service. Thank you Valley!" – Margaret W.

"I have relied on Valley Heating for over 25 years and have never been disappointed!" – K. Sportello, Willow Glen
